

CAUSE 2019

Applied Sustainability in Contemporary Culture

Join College of Earth and Mineral Science students from across the Commonwealth as well as World Campus in exploring a variety of novel sustainability applications in Colorado. Topics include urban and rural food production, “zero waste” policies, permaculture, solar photovoltaics, micro-hydroelectricity, anaerobic digestion, hospitality, oil and gas, sustainable brewing practices and more!

Travel dates: June 22nd – June 30th

Planned Itinerary:

- Denver area (June 22nd – June 25th)
- Boulder (June 25th – June 27th)
- Carbondale, Paonia, Denver (June 27th – June 30th)

Apply online by Nov. 2nd
www.ems.psu.edu/CAUSE2019
